

## 14. LIST OF PUBLICATIONS OF THE LABORATORY UNTIL DECEMBER 2001

Compiled by

D. TOMBÁ CZ

*Cell Biological and Evolutionary Micropaleontological Laboratory of the University of Szeged, H-6701, P.O. Box 993, Szeged, Hungary*

- JELEN, B., BÁLDI-BEKE, M., CIMERMAN, F., ČAR, J., ČOSOVIĆ, V., DROBNE, K., FODOR, L., KEDVES, M., MÁRTON, E., MONOSTORI, M., SKABERNE, D., TOUMARKINE, M., and ZAGORŠEK, K. (2000): The Eocene in the Dobrna area. In: Eocene in NE Slovenia and NW Croatia, eds.: JELEN, B., ŠIMUNIĆ, A., DROBNE, K., SKABERNE, D., ČOSOVIĆ, V., AVANIĆ, R., BÁLDI-BEKE, M., CIMERMAN, F., ČAR, J., FODOR, L., KEDVES, M., MÁRTON, E., MONOSTORI, M., PAVLOVEC, R., PLACER, L., ŠIKIĆ, L., TOUMARKINE, M., TURNŠEK, D. and ZAGORŠEK, K., 99-104.
- JELEN, B., BÁLDI-BEKE, M., CIMERMAN, F., KEDVES, M. and TOUMARKINE, M. (2000): Biostratigraphy, age and paleoenvironment. In: Eocene in NE Slovenia and NW Croatia, eds.: JELEN, B., ŠIMUNIĆ, A., DROBNE, K., SKABERNE, D., ČOSOVIĆ, V., AVANIĆ, R., BÁLDI-BEKE, M., CIMERMAN, F., ČAR, J., FODOR, L., KEDVES, M., MÁRTON, E., MONOSTORI, M., PAVLOVEC, R., PLACER, L., ŠIKIĆ, L., TOUMARKINE, M., TURNŠEK, D. and ZAGORŠEK, K., 124-126.
- JELEN, N., BÁLDI-BEKE, M., CIMERMAN, F., KEDVES, M., MONOSTORI, M., TOUMARKINE, M. and ZAGORSEK, K. (2000): Biostratigraphy and paleoenvironment. In: Eocene in NE Slovenia and NW Croatia, eds.: JELEN, B., ŠIMUNIĆ, A., DROBNE, K., SKABERNE, D., ČOSOVIĆ, V., AVANIĆ, R., BÁLDI-BEKE, M., CIMERMAN, F., ČAR, J., FODOR, L., KEDVES, M., MARTON, E., MONOSTORI, M., PAVLOVEC, R., PLACER, L., ŠIKIĆ, L., +TOUMARKINE, M., TURNŠEK, D. and ZAGORŠEK, K., 121-124.
- KEDVES, M. (1999): LM and TEM investigations on Hungarian Neogene lignites. - *Acta Palaeobot. Suppl.* 2, 319-329.
- KEDVES, M. (2001a): Upper Cretaceous pollen grains from Egypt VI. - *Plant Cell Biology and Development (Szeged)* 13, 19-21.
- KEDVES, M. (2001b): Transmission electron microscopy of Mesozoic terrestrial microfossils. - *Asociación Paleontológica Argentina, Publicación Especial* 7, 113-116.
- KEDVES, M., BORBOLA, A. and PRISKIN, K. (2001): LM and TEM investigations on the Upper Cretaceous Ajkaiite of Hungary II. - *Plant Cell Biology and Development (Szeged)* 13, 22-31.
- KEDVES, M. et FREY, K. (2001): Études expérimentales sur quelques grains de pollen des Amentifères. - XVII<sup>ème</sup> Symposium de l'Association des Palynologues de Langue Française (A.P.L.F.), Arles, 24-26 septembre 2001, Volume des résumés, 52.
- KEDVES, M., HORVÁTH, A., MADARÁSZ, M., SASHALMI, J., SZÉCSÉNYI, A. and TOMBÁ CZ, D. (2001): High temperature effect on recent pollen grains of *Tilia cordata* MILL. and *Tilia platyphyllos* SCOP. - *Plant Cell Biology and Development (Szeged)* 13, 58-61.
- KEDVES, M., HORVÁTH, A., TRIPATHI, S.K.M. and MADHAV KUMAR (2001): Symmetry operations on the quasi-crystalloid biopolymer system of the sporopollenin of *Phoenix sylvestris* LINN. from India. - *Plant Cell Biology and Development (Szeged)* 13, 76-86.
- KEDVES, M. and MADARÁSZ, M. (2001a): To the Tenth Anniversary of the Cell Biological and Evolutionary Micropaleontological Laboratory. - *Plant Cell Biology and Development (Szeged)* 13, 6-10.
- KEDVES, M. and MADARÁSZ, M. (2001b): Experimental studies on the pollen grains of *Elaeagnus angustifolia* L. - *Plant Cell Biology and Development (Szeged)* 13, 71-75.
- KEDVES, M. and PÁRDUTZ, Á. (2001): Ultrastructure of Partially Degraded Hungarian Lignites. - *Taiwania* 46, 135-144.
- KEDVES, M., PÁRDUTZ, Á. and MADARÁSZ, M. (1999-2000): A parlagfű virágporaszemlein elért eddigi kísérletes ultrastruktúra vizsgálataink eredményei. - *Botanikai Közlemények* 86-87, 242.

- KEDVES, M., PÁRDUTZ, Á. and MADARÁSZ, M. (2001a): Transmission electron microscopy of the partially degraded pollen grains from the Thanetian layers of Menat (France) II. - *Plant Cell Biology and Development (Szeged) 13*, 32-39.
- KEDVES, M., PÁRDUTZ, Á. and MADARÁSZ, M. (2001b): Transmission electron microscopy of partially degraded teliospores of *Ustilago maydis* (DE CANDOLLE) CORDA. - *Palinología: Diversidad y Aplicaciones* eds.: FOMBELLA BLANCO, M.A., FERNÁNDEZ GONZÁLEZ, D. and VALENCIA BARRERA, R.M., 341-348.
- KEDVES, M., PÁRDUTZ, Á., MADARÁSZ, M., PRISKIN, K., SZÉCSÉNYI, A., SASHALMI, J. and TOMBÁ CZ, D. (2001): LM and TEM investigations on partially degraded pollen grains of *Alnus glutinosa* (L.) GAERTN. - *Plant Cell Biology and Development (Szeged) 13*, 62-70.
- KEDVES, M., PÁRDUTZ, Á., PRISKIN, K., SZÉCSÉNYI, A., SASHALMI, J., TOMBÁ CZ, D. and BORBOLA, A. (2001): LM, SEM and TEM investigations on partially degraded *Botryococcus braunii* Kütz. colonies from Hungarian Upper Tertiary oil shale II. - *Plant Cell Biology and Development (Szeged) 13*, 40-52.
- KEDVES, M., PÁRDUTZ, Á., SZÉCSÉNYI, A., PRISKIN, K., MADARÁSZ, M., TOMBÁ CZ, D., SASHALMI, J. and HORVÁTH, A. (2001): LM and SEM investigations on partially dissolved allergen pollen grains I. - *Plant Cell Biology and Development (Szeged) 13*, 53-57.
- KEDVES, M., PÁRDUTZ, Á., TERBE, ZS. et HORVÁTH, E. (2001): Microscopie électronique à transmission de l'exine partiellement dégradées de grains de pollen de quelques Cycadales. - *Plant Cell Biology and Development (Szeged) 13*, 87-95.
- KEDVES, M., PRISKIN, K., TRIPATHI, S.K.M. and MADHAV KUMAR (2001): Experimental LM studies on recent palm pollen grains. - *Abstracts Congress on Tropical and Subtropical Palynology (America-Africa) February 10-15/2001*, 32.
- SRIVASTAVA, S.C. and BANERJI, J. (2001): Pentoxylon plant: A reconstruction and interpretation. - *Plant Cell Biology and Development (Szeged) 13*, 11-18.
- SZÉCSÉNYI, A. (2001): Chronicle. - *Plant Cell Biology and Development (Szeged) 13*, 98-103.
- TOMBÁ CZ, D. (2001): List of publications of the Laboratory until December 2000. - *Plant Cell Biology and Development (Szeged) 13*, 96-97.
